The employee taking such leave will give the administration ample advance notification whenever possible. No leave will be granted on the day preceding or immediately following a vacation period or holiday, unless prior approval has been granted by the Superintendent of Schools.

Personal business leaves for teachers and support staff employees shall not be cumulative, except hereinafter set forth.

Unused personal days can be accumulated and added to the employee's accumulated sick leave. Certified and support staff members can accumulate a maximum of three (3) days sick leave at the rate of one (1) day for each unused personal day.

B. SICK LEAVE

1. A teacher or food service employee will be allowed up to an additional ten (10) days leave of absence for illness per school year, with full pay. Any teacher or food service employee whose contract becomes effective after September 30th, or any secretary or custodian whose contract becomes effective after July 31st, shall receive sick leave proportionate to the number of months of the contract period for that year. A doctor's certificate may be required by the Superintendent of Schools for any employee using a sick day immediately before or after a holiday or school vacation period or after three (3) days of absence. All unused days of sick leave are accumulated without limit from July 1, 1955, or date of employment, whichever comes later. Any employee on

SICK LEAVE, CONTINUED:

maternity leave or extended leave, as defined in Article IV section F, but not to include sick leave, shall receive sick leave proportionate to the number of months of active employment for that year. For special cases such as retirement, resignation, or transfer, but not limited to these, employees shall receive sick leave proportionate to the number of months of employment for that year. Working under contract one (1) day in a month shall constitute a month of employment for the above calculations. Accumulation for part time employees shall be prorated.

2. Upon retirement or resignation in good standing, after 10 consecutive years of employment in Washington Township Schools, reimbursement for unused sick leave shall be as set forth below.

a. For days accumulated as of 6/30/89 and not subsequently used upon leaving the district in good standing, reimbursement shall be:

Teachers, Secretaries, Custodians

80% of unused sick days (no maximum) at the current substitute rate for that position

b. For retirement in good standing as defined in PERS or TPAF, or death, reimbursement shall be for 90% of unused sick days as follows:

Teachers and Food Service Employees:

Maximum of 182 days at current substitute rate for that position

Secretaries and Custodians

Maximum of 234 days at current substitute rate for that position

c. In determining the unused sick days in "a" above, sick days are used in the order (1) after 6/30/89, (2) accumulated up to 6/30/89.

d. Reimbursement under "a" and "b" are mutually exclusive.

C. DEATH IN FAMILY

A teacher or support staff employee will be allowed leave of absence, for the purpose of bereavement, due to death in the immediate family (husband, wife, father, mother, child, or other relative living with the family) for a period of up to three (3) days at full pay. At the discretion of the principal (for teachers) or immediate supervisor (for support staff employees) employees may be granted up to two (2) additional days. The leave of absence allowed for a close relative (brother, sister, in-law, grandparent, grandchild) not living with the family will be up to two (2) days; distant relative, one (1) day.

D. EXTENDED SICK LEAVE

There may be occasions when it is necessary for an employee to be absent on sick leave for greater periods of time than are covered by the annual sick leave plan. When a person's required sick time exceeds his annual sick leave and accumulated sick leave, the Board may pay him/her each day's salary less the pay of a substitute, if a substitute is employed, or the estimated cost of the employment of a substitute if none is employed, for such length of time as is determined by the Board, in each individual case.

E. MATERNITY RELATED DISABILITY

The Board shall grant maternity leave without pay to employees tenure, for a maximum of 2 school years. The 2 year period referred to herein shall consist of the balance of the school year in which the leave began and the following 2 school years. Maternity leave shall commence and terminate on the date requested by the employee, subject to Board approval and the following restrictions. The return to work date for certified staff members must occur at the beginning of a marking period. The Board shall provide employees on maternity leave with insurance coverage for the month of the end of active (contractual) employment and for the next three (3) whole months.

A teacher shall inform the Principal, and the support staff employee their immediate supervisor, of the need for such leave as early as possible so as to conform to any insurance policy covering the employee. The date to return to work must be made known to the

MATERNITY RELATED DISABILITY, CONTINUED:

Superintendent no later than February 1st prior to the returning school year.

Any teacher under tenure, or support staff employee with at least three consecutive years of service in the district, adopting a child, shall receive similar leave which shall commence upon receiving de facto custody of said child, or earlier, if necessary, to fulfill the requirements for the adoption.

No teacher or support staff employee on maternity leave shall be denied the opportunity to substitute in the Washington Township School District (in the area of certification or competence, and with concurrence of the personal licensed physician of the employee on leave).

F. EXTENDED LEAVES

An extended personal leave may be granted to a teacher by the Board for study, including study in another area of specialization, for travel, or for other reasons of value to the school system. Extended personal leaves shall be granted to a maximum of two teachers at any one time, if there are qualified applicants.

Requests for extended leave must be received by the Superintendent in writing, in such form as may be mutually agreed on by the Association and the Superintendent, no later than February 1st, and action must be taken on all such requests no later than April 1 of the school year preceeding the school year for which the extended leave is requested.

A teacher must have completed at least four (4) consecutive years of service from date of employment, to the date of commencement of the leave in the Washington Township School District, in order to be eligible for a year's leave of absence. This extended leave is granted without any financial remuneration.

Upon return from extended leave, a teacher shall be placed on the salary guide with no additional step for the leave year. Written notice of the desire to return to work must be made known to the Superintendent no later than February 1st prior to the return year.

EXTENDED LEAVES, CONTINUED:

Under the extended leave policy, a teacher shall be eligible for hospitalization and insurance benefits for the full year, provided he or she pays the premium for the full year in advance.
